So glad you're here.

You're one of the first members of The Crestwell Circle — a small community of travelers who value good company, honest advice, and trips worth talking about. As a founding member, you have a few perks that future members won't, and you'll hear about every hosted trip before anyone else. Here's everything you need to know in one page.

YOUR MEMBER BENEFITS

- **First Access**
  To every Crestwell-hosted group trip, before public release.
- **Member Pricing**
  $100+ savings on hosted trips. Founding members keep this forever.
- **Port Intel Briefing**
  Monthly note from Tim — what to book, what to skip.
- **Priority Response**
  24-hour turnaround on every quote you send.
- **Onboard Perks**
  Birthday/anniversary surprise on every Circle booking.
- **Bon Voyage Gathering**
